

C3330 Metal Cash Drawer

- 4 Bill Trays, 8 Coin Cups
- Detachable Insert
- Small Dimensions
- 3-Position Lock
- 24V RJ12 Receipt Printer Interface

The ARTDEV C3330 is a space-saving, cost-efficient cash drawer with metal housing, that has the same amount of coin cups and bill trays as big standard cash drawer despite its small width of 33cm.

The standard configuration includes 8 coin cups and 4 bill trays as well as the standard check inset. Of course the whole inset is detachable and lockable with an additional lid.

The C3330 can be opened either with its 3-position lock or electronically with RJ12 connection cable.

Benefits:

- Space saving construction with 33cm width
- Rugged steel housing
- 4 Bill trays and 8 coin cups
- Detachable and lockable inset with lid
- Receipt printer connection cable with RS12 interface
- 3-position lock

Fields of operation:

- Point-of-Sale
- Gastronomy
- Kiosk
